**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in a rural area and had DSL from a larger telephone company for awhile. It was totally inadequate. Infostructure has been a great provider and has kept my costs down.

My landline is also with Infostructure which has saved me money. Deregulation would not be good for the smaller companies and for people in rural areas.
